

Molly's CIRCUS

Things to talk about

Have you ever been to a circus?

What did you see? What do you think you would see?

Do you think there are really circus people in Molly's garden? Why?

Can you count the circus performers?
Can you spot a pattern?

Would you like to perform in a circus?

What sort of jobs do you help with in your house or your garden?

What do you think Molly's mum means when she says, 'everyday is a circus with you around'?

Who helps you, if you fall over or hurt yourself?

What is Molly's cat thinking?

Can you spot the snail?

Things to do

Design your own paper circus performer.

Maybe you could cut them out and hang them from the ceiling to swing in the breeze.

Put on a show with your teddies, toy animals or trucks.

Who will come and see your show?

Learn to juggle! Test out your juggling skills.

You could use pears... or small, soft balls or rolled-up socks.

Have a picnic.

Snacks always taste better sitting on a rug in the garden – or on the kitchen floor.
